Overall size: 30" L x 9" W x 9" Ht.

FIXTURES M055-155BX

This is a versatile, short throw location lighting fixture. It is very small, light-weight and easy to handle or mount in tight quarters. The extruded aluminum housing has a textured black TGIC polyester powder coat finish. It utilizes one 55 watt Fluorescent Biax lamp. The fixture is hardwired with a 15' cord that plugs into the power supply box with remote ballast. Size: 24" L x 3.3" W x 6.4" Ht.

CASE Soft Bag Case

Sport bag style padded case is made of heavy duty PVC backed polyester. This highly water resistant, durable material covers 1/2" foam padding inside and out. Separate compartments are provided to protect the contents during travel.

Double pull zipper allows pad-lock security if desired. Heavy-duty handgrips and shoulder strap with grip pad allow versatile carrying options. Fully loaded kit is only 25 pounds.
